WASHINGTON STATE UNIVERSITY

Founded as the people’s university in 1890, Washington State University fulfills that commitment by transforming lives through education, research, and community outreach. In 2015, the University is celebrating 125 years of delivering life-changing knowledge and discoveries to citizens across the state, region, and nation, and around the world.
POINTS OF DISTINCTION

HIGH LEVEL OF RESEARCH.
Washington State University is one of just 108 among more than 4,500 U.S. public and private universities selected for the “very high research activity” categorization by the Carnegie Foundation for the Advancement of Teaching.

AMONG TOP 2 PERCENT IN BUSINESS PROGRAMS.
The Carson College of Business stands among the less than 2 percent of business schools worldwide that have achieved full accreditation in both business and accounting from the Association to Advance Collegiate Schools of Business.

TOP WRITING PROGRAM.
In 2013—for the 10th time—U.S. News and World Report singled out the University’s writing program as one of the top 20 in the nation. The program helps students in all majors develop their writing skills.

STANDOUT ORGANIC AG PROGRAM.
The University’s organic agriculture program was ranked among the top six in the nation in 2012 by the Organic Farming Research Foundation.

MAJOR CONTRIBUTOR TO ECONOMY.
During the 2014 fiscal year, WSU made a $3.4 billion impact on the state’s economy from activities that included university programs, construction and equipment, and spending by students and on athletic events.

LGBT-FRIENDLY CAMPUS.
The WSU Pullman campus ranks as one of the top 50 universities nationally and one of just seven in the Pacific Northwest for lesbian, gay, bisexual, and transgender students, according to data compiled by Campus Pride, a nonprofit organization dedicated to making colleges and universities safer and more inclusive for LGBT students.
TOP 20 NATIONALLY FOR ECONOMIC ENGAGEMENT.
WSU was one of just 16 public institutions nationally designated as an Innovation and Economic Prosperity University in 2013 by the Association of Public and Land-grant Universities. The designation recognizes universities that work closely with public and private sector partners to support economic development.

ONE OF THE GREENEST.
The Princeton Review included WSU on its 2014 list of the green colleges in the United States.

EMPLOYER-PRIZED GRADUATES.
WSU is among the top 25 universities where major U.S. employers look to hire new graduates, according to a Wall Street Journal survey.

STRONG COMMUNITY ENGAGEMENT.
The Carnegie Foundation for the Advancement of Teaching places WSU among 119 national universities and colleges for both curricular engagement and outreach and partnerships with larger communities (local, regional/state, national, global) for the exchange of knowledge and resources.

TOP 25 FOR JOURNALISM.
The Edward R. Murrow College of Communication ranks among the top 25 journalism schools in the nation, according to a survey compiled by NewsPro Magazine.

GENEROUS DONORS.
As of September 30, 2014, more than 190,000 individuals had contributed $944.2 million toward the $1 billion Campaign for WSU. Scheduled for completion in 2015, the funds support students, faculty, research, and outreach.
UNIVERSITY PROFILE

Campuses Year of founding
Pullman 1890
Spokane 1989
Tri-Cities 1989
Vancouver 1989
Global 2012
Everett* 2014

* The University manages WSU North Puget Sound at Everett, a consortium of universities and colleges based at Everett Community College that offers bachelor’s and master’s degrees.

COLLEGES

College of Agricultural, Human, and Natural Resource Sciences
College of Arts and Sciences
Carson College of Business
Edward R. Murrow College of Communication
College of Education
Voiland College of Engineering and Architecture
Honors College
College of Medical Sciences
College of Nursing
College of Pharmacy
College of Veterinary Medicine

WSU EXTENSION

• 39 offices (one in each county)
• Research-based educational programs and services for individuals, businesses, and communities

RESEARCH AND EXTENSION CENTERS

• 8 locations: Lind, Long Beach, Mount Vernon, Othello, Prosser, Pullman, Puyallup, Wenatchee
• Research on organic and sustainable production, pest management, crop plant genetics, and plant physiology at most sites

OTHER STATEWIDE SERVICES

• WSU West: downtown Seattle
• Small Business Development Centers: 24 locations statewide
• Extension Energy Program: Olympia and Spokane
• Federally Recognized Tribes Extension Program: Colville
